Ducon

True.

Welcome

Welcome to Ducon where clients are our number one priority. Since its establishment in 1977, Ducon has emphasized people over profit.

Valuing the relationships we establish, we partner with our clients as we bring their visions from the drawing board to completion. We know that a job well done is a job in which each of our staff members brings his unique gifts to the project. Together, we endeavor to complete our jobs safely, efficiently and thoroughly. At each stage, we desire to provide our clients with a positive working experience that exceeds their expectations. We appreciate your interest in our company and welcome the opportunity to discuss any upcoming projects with you.

David Wikkerink
President,

Ducon Contractors Ltd./Ducon Homes Ltd.

Partnership:
From inception to completion

Mission Statement

True to its pursuit of excellence, Ducon is dedicated to providing professional construction services with integrity, combining teamwork and quality craftsmanship to achieve our Client's vision.

Who We Are

Ducon is a construction company located in eastern Ontario servicing the geographic region from Cobourg to Napanee to Bancroft to Picton. Ducon Contractors Ltd. has successfully completed projects in the industrial, institutional and commercial sectors. Working in the residential sector, Ducon Homes Ltd. designs, renovates and builds custom homes and cottages. Ducon is well-respected in the community having earned a reputation for being trustworthy and conscientious.

Ducon Contractors Ltd.

Industrial, Institutional & Commercial

Ducon Contractors has a diverse history of work in the industrial, commercial and institutional sectors. We have successfully completed projects for insurance companies, accounting firms, factories, plants, banks, dental clinics, wineries, pharmacies, hospitals, golf courses, and schools. We excel at understanding and meeting the unique needs of each sector. Our goal is to complete each project safely, promptly and in a financially viable manner. Each member of our staff is comprehensively trained in the most recent safety practices and regulations set by the governments of Ontario and Canada. Over the years, Ducon has established solid relationships with our subtrades, working only with those able to meet the high standards we demand for professional workmanship and conduct. As we provide quality craftsmanship, our expert staff works diligently to keep industries, businesses and institutions running seamlessly throughout construction.

Ducon Homes Ltd.

Residential

From the day we lay the foundation to the day we put those finishing touches on the trim, we build your home to endure. At Ducon Homes, we partner with you in building a sustainable life—structurally, environmentally and financially. All our homes are Tarion warranted and built with the most durable and environmentally sustainable materials on the market. Being financially attentive, we meticulously tender each project and partner with you to develop a design that fits within your budget. We know that no home looks and operates like any other. Therefore, Ducon Homes works closely with you to create a home that is distinctly yours.

Building a Sustainable life.
